**RE: CESSATION REPORT FOR MINERAL LEASE N 173, N 174 & N 175
GERALD THOMAS MONCK**

Mineral Leases (ML) N 173 (6.4 hectares), N 174 (3.2 hectares), and N 175 (2.4 hectares) were granted to Gerald Thomas Monck (deceased) on the 10 January 1966. Although the tenement had a renewal lodged on the 24 November 1986 (the area was never officially renewed although rental was continued until December 2004) with a surrender being lodged in December 2004.

The tenement was unable to be accessed as it was converted to Freehold Land belonging to the Defence Estate Organisation of the Commonwealth of Australia. An agreement (instead of compensation) with the Northern Territory Government to help facilitate Authorisation Applications N 344 and 345, under the name of Vasilious Avlonitis (relatives of Gerald Thomas Monck) in the 32 mile acquisition area (Yarrowonga East) is still being negotiated.

(See Plan No. ALI037 "MLN173, MLN 174 & MLN 175 / Cadastre & Tenement Location")

Please accept this as our final report for MLN 173, MLN 174 and MLN 175.

Yours faithfully

Sandra Johnson
