The Secretary
Department of Mines and Energy

Mineral Claims S154 in location Riddoch 5851

FINAL REPORT
For 12 months
Ending 15th September 1992

Mineral Claim S154

Using a portable dry blower
10 Hours worked @ $25.00 per hour = $250.00

Use of metal detectors
30 Hours worked @ $10.00 per hour = $300.00

Use of own vehicles $200.00

Production levels = Trace

The pegs have been removed from the ground. No rehabilitation was needed as only hand tools and dry blower in creek beds was used.

Yours sincerely

Person, Van Hyfte & Mason
