1.0 DESCRIPTION AND SUMMARY

EL8368 was granted to Dominion Gold Operations Pty Ltd in December 1993 for a period of three years.

Due to exploration commitments in other areas, exploration on this licence could not be carried out. The licence was therefore surrendered on 28 March 1995.

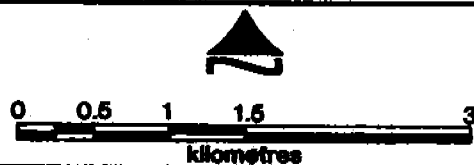

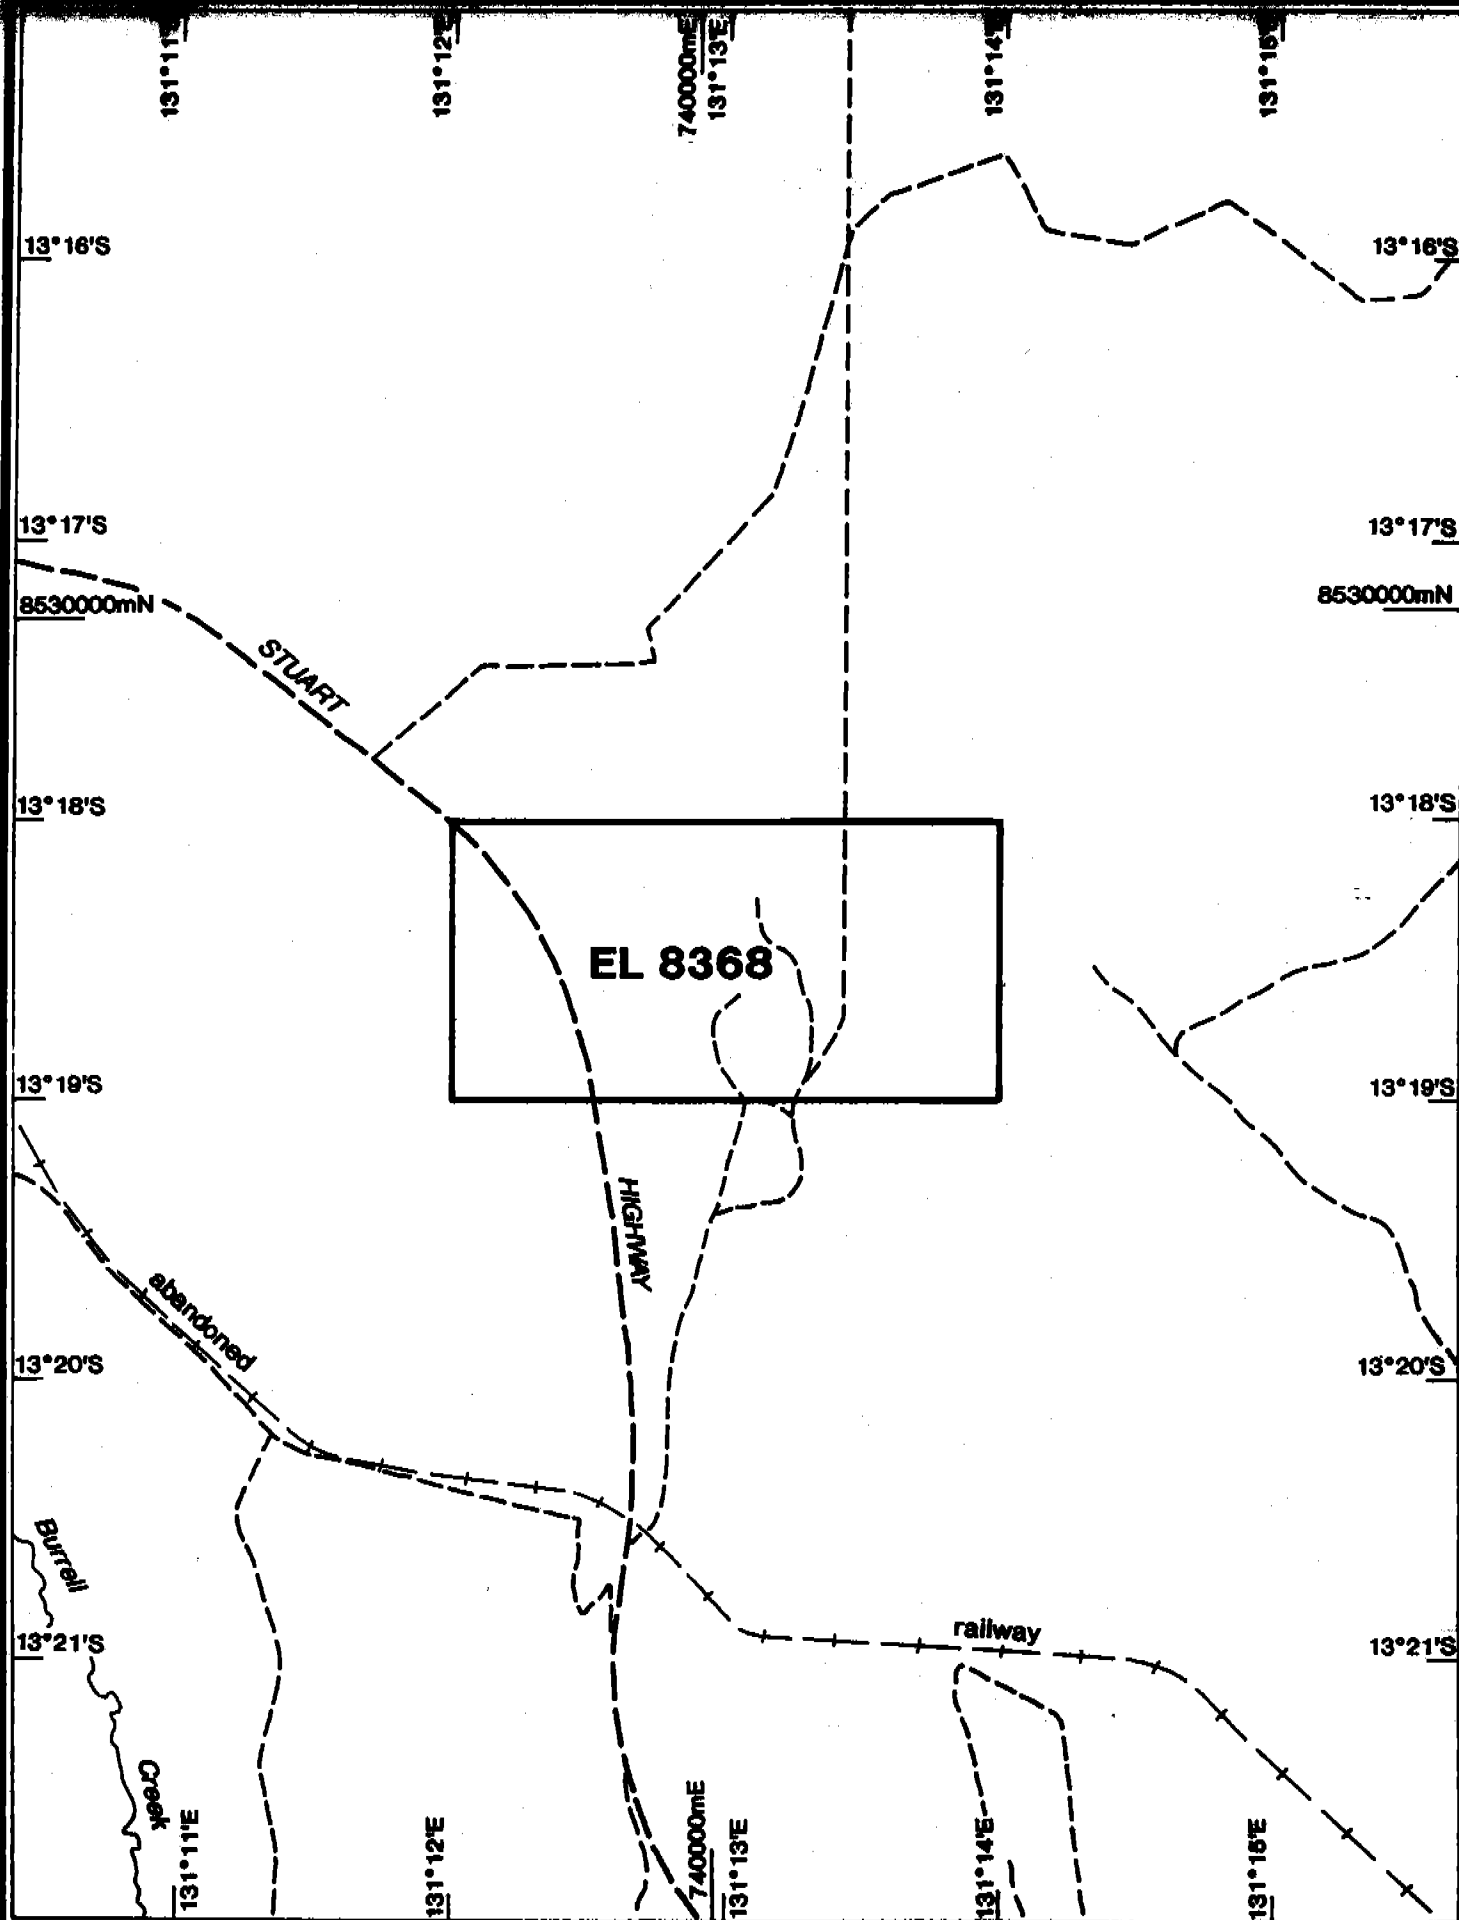

The exploration licence was located approximately 14km southeast of Adelaide River adjacent to the Stuart Highway. The latitudes and longitudes of the licence are set out below:

EL8368 13°18'S - 13°19'S, 131°12'E - 131°14'E (2 blocks)

See Figure 1 for the tenement location plan.

The licence covered the old Mount Tymn gold workings situated within Burrell Creek Formation sediments of the Finnis River Group.

No exploration was carried out over the exploration licence area during the period reported. No expenses were incurred for the licence.
