Referring to your letter,  
The total value of all exploration  
rent on Lease 9715 was  
approximately $3,700, paying  
for Loader and Grader Exploration  
Check testing gravel and sands etc.  

I have logged 2 (two) mineral tenures  
but I have not heard anything  
Further with these claims for  
this exploration of gravel  

Hoping to hear from you in this  
NSAR future.
