1: SUMMARY

Exploration Licence 9061 was granted to Corporate Developments Pty. Ltd on the 4th January, 1996. The title replaced EL's 6805 and 8015 and covers an area of eleven blocks. This report presents the summary of work completed on the relinquished blocks during the term of the Licence.

2: BLOCKS RELIQUISHED

Blocks 25/56-60 inclusive on map 8/4-111 (Sweets Lookout) were relinquished.

3: WORK DONE

No work has been carried out by Corporate Developments Pty. Ltd. on the relinquished blocks under EL 8015 or SEL 9061. (One reason was the underlying landowner resisted strongly our proposal for exploration.)
