Dear Ms Miranda,

## Re Mineral Lease 536 - Whippet

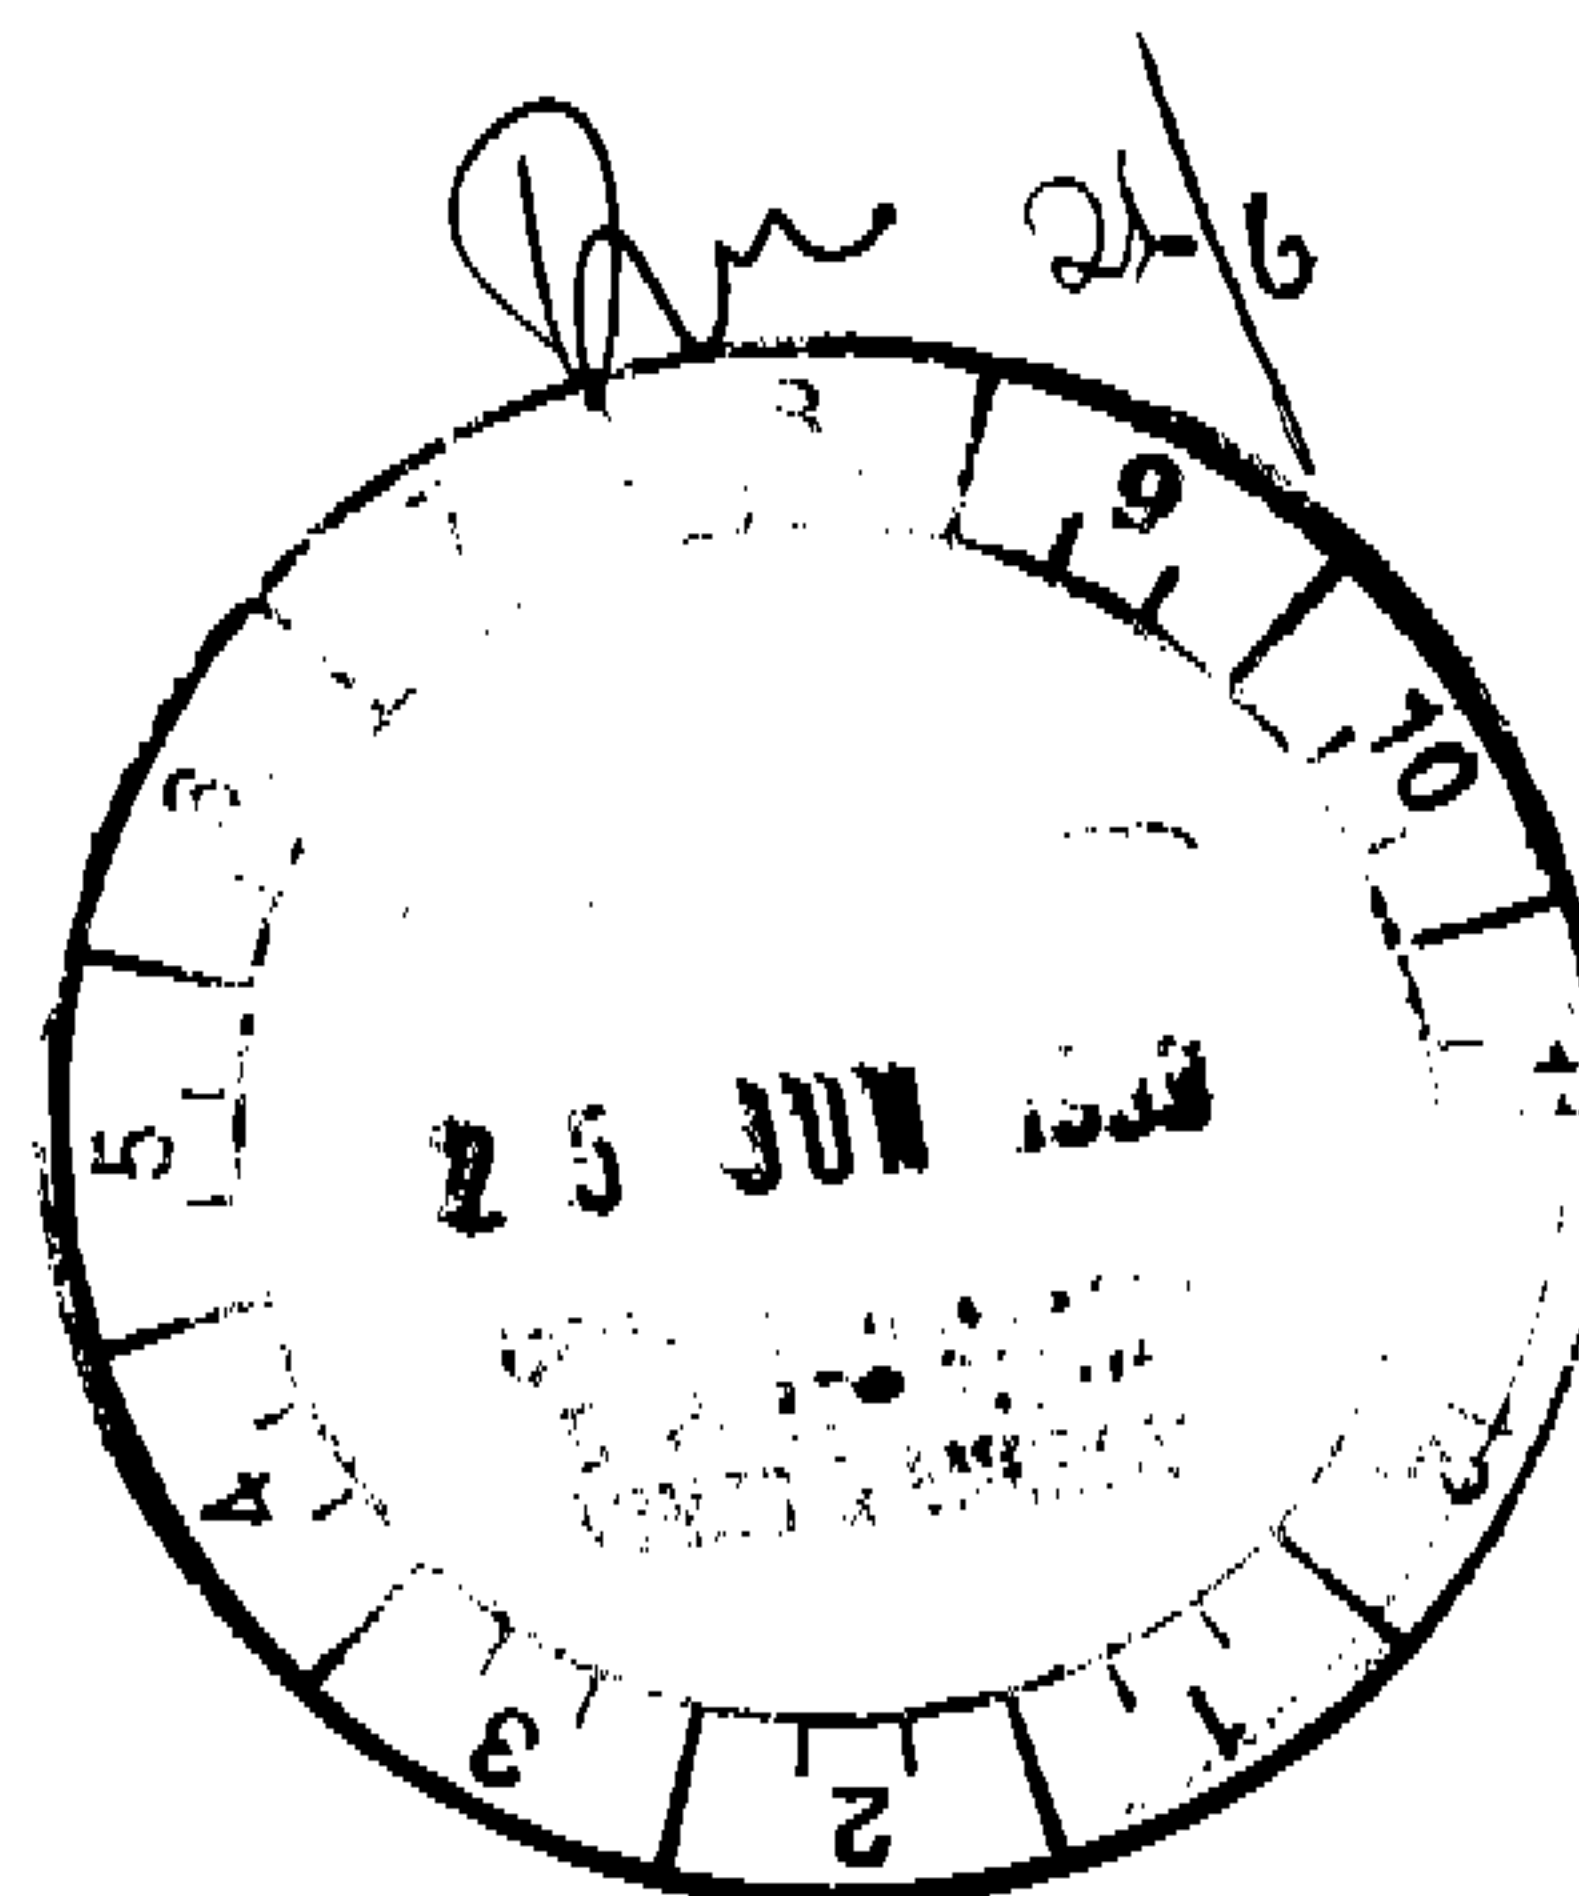

In reference to your undated letter regarding the abovementioned mining lease, I wish to advise that due to low commodity prices the Company carried no work over the area as from the beginning of 1997.

The most recent work including rehabilitation was completed by Roebuck Resources NL in early 1997 and a report detailing those activities should be held at your office. We request that this report be treated as a "Final Report" pursuant to the Mining Act.

Should the Roebuck report not be located at your office please advise so that a copy can immediately be forwarded.

Yours faithfully

  
R E Diermayer  
Director
