Re: Variation of Covenant, EL 9856: Neil Scriven; Megamin Resources NL and Rodney Johnston

Could we please alter the covenant on EL9856 for the period Dec 2001 to Dec 2002 from \$12,000 to \$6,000. While we have had some interpretative work done on the geophysics, it has not been possible to mount the planned field programme this year.

Yours sincerely,

G. S. Eupene
