Dear Sir/Madam,

Exploration Licences 6351

Exploration Licence 6351 was granted on 8 June 2001, and is approaching Year 1 tenement anniversary. Despite continued negotiations with Traditional Owners, access has not yet been granted for this tenement.

Accordingly, no on ground exploration activities have been carried out on this tenement, and therefore there are no exploration or environmental issues to report.

In view of this your approval is sought to accept this letter in lieu of an Annual Technical Report for Exploration Licence 6351.

Yours sincerely

Michelle Blair
