Dear Sir,

FORMER EXPLORATION LICENCE 7872

AngloGold surrendered the abovementioned licence on the 1st December, 2003.

AngloGold recently advised you that work of a geological nature was not undertaken upon the licence during the term of the licence and accordingly, a final technical report was not relevant.

AngloGold now attaches a statement detailing expenditure incurred upon the licence from 11th June, 2003 to the 1st December, 2003.

AngloGold will be pleased to provide you with any additional information that you may require in respect of the matter.

Yours faithfully,
for **ANGLOGOLD ASHANTI AUSTRALIA LIMITED**
