Dear Sir,

EXPLORATION LICENCE 22965 BLUEBUSH – BIRRINDUDU/SUPPLEJACK
PARTIAL RELINQUISHMENT REPORT

The fourth anniversary of EL22965 occurred on 13 February 2007. An application for a partial waiver was lodged, and the licence area reduced by 9 blocks leaving a remaining area of 59 blocks.

The relinquishment report in respect of the 9 blocks relinquished from Exploration Licence 22965 for the period ended 12 February 2007 is due to be lodged by 12 May 2007.

As no field work has been conducted within the relinquished portion during the life of the title we ask that this letter be accepted in lieu of the partial relinquishment report.

Yours faithfully,
TANAMI GOLD NL
