18th May, 1973

The Director,
Mines Branch,
Department of the Northern Territory,
DARWIN, N.T. 5790

Dear Sir,

Re: EL 797

Further to your letter of 14th May 1973 I advise you of the following:

Samples have been taken from explored country in this Exploration Licence and sent to the Melbourne office of the Licence for determination as soon as these are done you will be advised of the results.

Two men have been employed full-time using two 4-wheel-drive vehicles have been prospecting this area most intensively, covering an area of approximately 60 square miles.

The weight of the samples to-day has been approximately 1001bs.

Yours faithfully,
