Dear Sir,

P.A. 2392, Huckitta, Northern Territory
Report for Month of December, 1969

No field work was carried out on the Prospecting Authority
during the month, but analysis of the geochemical samples
continued in the company's laboratories for a range of
elements. Plans are being prepared.

No expenditure on the Prospecting Authority was incurred
for this month.

Yours faithfully,

L.M. Lindsay

The Director of Mines,
Northern Territory Administration,
P.O. Box 231,
DARWIN. N.T. 5794.

Dear Sir,

P.A. 2392 Huckitta, Northern Territory
Report for Month of November, 1969

Field work was carried out over the whole of the prospecting authority, by two geologists with field assistants operating from landrovers. Approximately 600 geochemical drainage and soil samples were collected and all are at present being analysed in the Company's laboratories for a range of elements.

Expenditure to the end of November, 1969 was $602.

Yours faithfully,

D. S. Carruthers
General Manager
