Dear Alison,

## **SURRENDER REPORTS FOR EL9887, 10405 AND 26036 WITH VARIATIONS OF COVENANT TO EXPENDITURE**

I refer to your letter dated 23<sup>rd</sup> March 2009 requiring the submission of final reports for the above licences that were surrendered on the 24<sup>th</sup> March 2009. In lieu of surrender reports, I request that the DRDPFR release to open file all previous individual confidential annual reports for those licences instead.

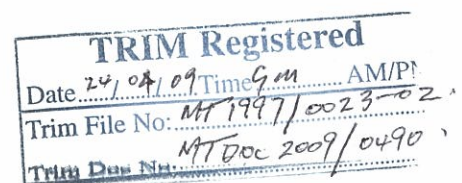

As there have been no ground disturbing activities on the tenements, I can confirm that rehabilitation will therefore not be required.

With regard to Variations of Covenant to expenditure, the following table shows St Barbara's (SBM) expenditure on the tenements for their last year of tenure:

Tenement	Minimum Expenditure Commitment	Year	SBM Expenditure
EL10405	\$30,000	6	\$518
EL26036	\$48,000	1	\$19,510

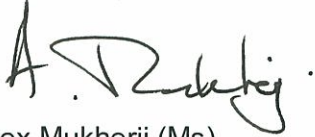

We respectfully request that the Department considers waiving the short fall of the minimum annual expenditure commitment for each tenement. Please find enclosed a cheque for \$100 for the Variation of Covenant Application Fee of \$50 per tenement.
