**Re: Rehabilitation activity advice following Exploration Licence surrender
EL25050, 5051, 5052 Amadeus Finke**

Dear Sir/Madam,

Nova Energy Pty Ltd as licensees of Exploration Licences 25050, 25051 and 25052 wishes to advise the department that no ground disturbing work was carried out on the above-mentioned Exploration Licences during the period of tenure (11th September 2006 to 11th August 2009). No rehabilitation was therefore necessary.

Kind Regards,

A handwritten signature in blue ink that reads "Caroline Sullivan". The signature is written in a cursive style.
