Dear Sir/Madam,

I would like to request a waiver to cookie cut geophysical data on relinquished ground for EL25223. As shown in the attached image the blocks dropped cover a small portion of a large survey which covers EL25223 and EL25222. The complete data set for the survey was submitted to the department in the annual report for CR109 Daly River on the 18 of December 2008.

Thank you for your attention to this matter,

Andrew Chapman
