

I advise that the Proposed Work Program for the forthcoming term is as follows:

- Airborne Electromagnetics (VTEM) \$100,000
- Geophysical interpretation work \$10,000
- Geochemical Sampling / Field Mapping \$15,000
- Heritage Surveys \$15,000
- Ground Electromagnetics \$20,000
- Administration \$20,000

Total	\$180,000
