Dear Sir,

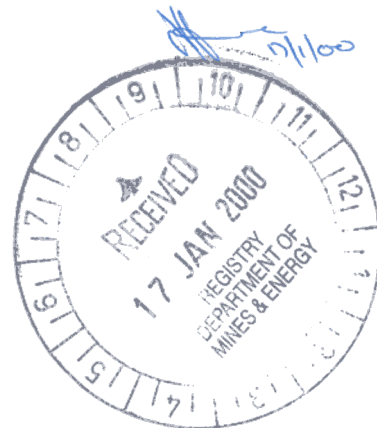

This letter is in relation to mining lease MLN 962 in the name of Queensland Mines Pty Ltd.

93. Section 79 & 93 of the mining act we are required to submit an annual report at the exploration of each twelve months.

I contacted Michelle May of your office and explained the situation at Nabarlek and she suggested a letter explaining the situation in lieu of a report would suffice as there was no mining activity to report for the period and that Nabarlek is currently under rehabilitation.

If you have any queries please do not hesitate to contact me.
