Director of Mines
Dear Sir,

I refer to Mineral claim
N45 in the Spring Hill area.
A trial alluvial mining program was
carried out in 1996-97 the program was ceased
because of my illness.
Rehabilitation work has been completed.
I ask that the \$1000.00 security which
was lodged by me be returned.
It is my intention to transfer the claim
another party, & transfer documents will be
lodged in due course.

Yours Faithfully

A. Bacher
