Subject: Exploration Licence 22961 - Discovery Nickel Ltd!

G'Day Simon,

Here are the Discovery Nickel proposed expenditures for Exploration Licence 22961 for 11-7-04 to 11-7-05.

Airborne EM (Geotem)	\$30,000
Regional Geochemical Sampling	\$20,000
Ground EM	\$15,000
<u>DNL personnel management costs</u>	<u>\$11,000</u>
<u>TOTAL</u>	<u>\$76,000</u>

Airborne EM is currently being flown out of Bachelor.

Regional geochemical sampling was completed last week.

Ground EM to be completed early next year.

Please email or call if you have any problems!

Thanks

Dr Quinton Hills
