PLEASE QUOTE:

DELHI PETROLEUM PTY LTD

Hogarth-PED Seismic Survey (South Australia) - PEL 5 & 6

No report was actually given to the N T G S, since only part of the survey extended into the Northern Territory.

Any reports required for this survey should be held by the South Australian Department of Mines.

6 sepia lines were sent to us by Delhi Petroleum on 3/10/85, these were 84-WMM (part 1), 84-WMM (part 2) and 84-WMZ.

PR85/ 58A-This information, a letter from Delhi, and a list of lines sent (6 in all).

PR85/ 58B-6 sepia lines (final stacks) stored in library in a roll.

Dear Sir

SEISMIC LINES 84-WMZ AND 84-WMM

During 1984 Delhi Petroleum and partners conducted a 625 km seismic survey in the Pedirka Block of PEL 5 & 6, South Australia.

Two lines of the 1984 Hogarth-PED Seismic Survey, 84-WMM and 84-WMZ, extended into the N.T. and were subsequently processed and sent to the Northern Territory Department of Mines on 3 October 1985. Only the data shot in the N.T. has been forwarded.

If there are any questions concerning the acquisition and processing of this data please do not hesitate to contact Delhi Petroleum.

Yours faithfully

Michael Cousins
Processing Geophysicist
