

Annual report for ML 22854

This title is held for gypsum mining in the names of Eirdunda Gypsum (NT) Pty Ltd. The title was granted in 2004 and is on the Eirdunda 5547 sheet. On 05/10/2009, Paula Kilgariff emailed the Department to say that there had been no exploration activities and nil expenditure. This was foreshadowed in the 2007 report which said there was unlikely to be any activity in the future.

No resource figures have been given.
