EXECUTIVE SUMMARY

MLN 1137 was granted to John Fotinos on the 1/1/1925. The title has undergone multiple transfers and in 1998 the title was transferred to Softwood Plantation Pty Ltd. Softwood Plantations Pty Ltd was acquired by Outback Metals Ltd in 2007 & and is now a wholly owned subsidiary of Outback Metals. This title forms part of the Maranboy Project.

During this reporting period 8 of the 14 Mineral leases that form part of the Maranboy Project were declared Heritage Areas by the Northern Territory Heritage Register, preventing field access.

WORK COMPLETED - 2010

Outback Metals is working to revoke the heritage declaration over the Maranboy Mineral Leases to allow field work to resume. This work is ongoing.
