

### GEOLOGICAL SYMBOLS

- Geological boundary
- Fault showing relative displacement: down/up
  - Deeply buried source
  - Fold axis: anticline, syncline
  - Axial trace of fold
  - Dyke
  - Magnetic trend
  - Radiometric trend
  - Joint
  - Shear zone
  - Dolerite
  - Magnetic metamorphic aureole
  - Palaeochannel
  - Radiometric age determination in million years, U/Pb SHRIMP
  - Unit A overlies unit B

### Regional Geology Legend

- Artem Plateau Volcanics
- Gardiner Sandstone
- Supplejack Downs Sandstone
- Frederick Sulfide Granites
- Grimwade Sulfide Granites
- Nanny Goat Volcanics (previously)
- Nanny Goat Volcanics
- K&B Mill Formation
- Dead Bullock Formation
- Dolerite
- Fault
- Mine / advanced project
